Guest Presentations :

Juan Barajas (Census Bureau) - The census is a complete count of every person living in the USA. It is mandated in the Constitution. It is important because the figures are used for deciding the funding for communities - for schools, etc. The government allots ca. \$4,000 per person. The information given will be kept private and confidential. Forms will be available online from March 12, in 13 languages. People will also call on the phone and come door-to-door. Please tell the people in our churches how important this is.

Announcements :

1. Alan Brockmeier announced that there will be 'FirstLine' training for those wishing to become Chaplains for First Responders. The training is online, and takes 4 hours. See www.firstlineresponers.com
2. Zane Brooks gave an update on Draggin' Main. The Faith Family Night concert needs church support. ca. \$200 per church would bring in enough to engage top-rate artists. There may be a Youth speaker. Zane will have sponsorship packages.
3. Sistar Yancy has posters for the National Day of Prayer. It will be Thursday, May 7. All churches need to join in.
4. The Good Friday Service, April 10 - Delmus Gillis is getting the speakers for the Seven Last Words.
